Bug_Analysis_Report

1. Bug ID: BUG-001

Severity: High
Type: HTML
Description: The Home navigation link does not have a closing tag.
Root Cause: The anchor element was opened but not properly closed.
Fix Applied: Added the missing closing tag.
Line #: index.html - Navigation section

2. Bug ID: BUG-002

Severity: High
Type: Layout / CSS
Description: Header elements are not aligned horizontally.
Root Cause: The header uses display: block instead of Flexbox.
Fix Applied: Changed the header to display: flex and added alignment properties.
Line #: style.css - header

3. Bug ID: BUG-003

Severity: High
Type: Layout / CSS
Description: The logo, navigation menu, and search box are not positioned correctly.
Root Cause: Header layout does not use proper Flexbox alignment.
Fix Applied: Used justify-content, align-items, and margin-left: auto to position the elements.
Line #: style.css - header, .search

4. Bug ID: BUG-004

Severity: High
Type: CSS
Description: Header is not sticky at the top of the page.
Root Cause: No position property was defined for the header.
Fix Applied: Added position: sticky, top: 0, and z-index.
Line #: style.css - header

5. Bug ID: BUG-005

Severity: Critical
Type: HTML / Data
Description: Only three products are displayed instead of exactly six.
Root Cause: Three required product cards are missing from the HTML.
Fix Applied: Added USB-C Cable, Phone Case, and Screen Protector.

Line #: index.html - Product section

6. Bug ID: BUG-006

Severity: Critical
Type: CSS / Layout
Description: Products are displayed in one column.
Root Cause: Product cards have width: 100%.
Fix Applied: Replaced the single-column layout with CSS Grid using repeat(3, 1fr) for desktop.
Line #: style.css - .product

7. Bug ID: BUG-007

Severity: High
Type: Responsiveness
Description: Product layout does not change according to screen size.
Root Cause: No responsive media queries are present.
Fix Applied: Added media queries for desktop, tablet, and mobile breakpoints.
Line #: style.css - Media Queries

8. Bug ID: BUG-008

Severity: Medium
Type: Accessibility / HTML
Description: Product images do not contain alternative text.
Root Cause: The img elements do not have alt attributes.
Fix Applied: Added descriptive alt text to all six product images.
Line #: index.html - Product images

9. Bug ID: BUG-009

Severity: High
Type: HTML / Business Requirement
Description: Laptop does not display its discount badge.
Root Cause: Discount information was not included in the product card.
Fix Applied: Added a 20% OFF discount badge.
Line #: Product 1

10. Bug ID: BUG-010

Severity: High
Type: HTML / Business Requirement
Description: Smart Watch does not display its discount badge.
Root Cause: Discount information was not included in the product card.
Fix Applied: Added a 20% OFF discount badge.
Line #: Product 3

11. Bug ID: BUG-011

Severity: High
Type: Product Data
Description: Discounted products do not display original and discounted prices.
Root Cause: Only one price was included in the original product cards.
Fix Applied: Added original price with line-through and discounted price in green.
Line #: Products 1 and 3

12. Bug ID: BUG-012

Severity: High
Type: Product Data
Description: Product prices do not include the required currency format.
Root Cause: Original HTML uses plain numbers without the ₹ symbol.
Fix Applied: Added the required Indian Rupee symbol and exact prices.
Line #: Product cards

13. Bug ID: BUG-013

Severity: High
Type: HTML / Data
Description: USB-C Cable product is missing.
Root Cause: Required product was not included in the original HTML.
Fix Applied: Added USB-C Cable with price ₹499.
Line #: Product section

14. Bug ID: BUG-014

Severity: High
Type: HTML / Data
Description: Phone Case product is missing.
Root Cause: Required product was not included in the original HTML.
Fix Applied: Added Phone Case with price ₹349.
Line #: Product section

15. Bug ID: BUG-015

Severity: High
Type: HTML / Data
Description: Screen Protector product is missing.
Root Cause: Required product was not included in the original HTML.
Fix Applied: Added Screen Protector with price ₹199.
Line #: Product section

16. Bug ID: BUG-016

Severity: Medium
Type: CSS
Description: Product border color does not follow the required color palette.

Root Cause: Original CSS uses #ccc instead of the specified light gray color.
Fix Applied: Changed product borders to #ecf0f1.
Line #: style.css - .product

17. Bug ID: BUG-017

Severity: Medium
Type: CSS
Description: Footer text is left aligned.
Root Cause: Original footer uses text-align: left.
Fix Applied: Updated footer layout using Flexbox and centered copyright text.
Line #: style.css - footer

18. Bug ID: BUG-018

Severity: High
Type: HTML
Description: Footer is missing the Quick Links section.
Root Cause: Original footer only contains copyright text.
Fix Applied: Added Home, About, Contact, and Privacy Policy links.
Line #: index.html - footer

19. Bug ID: BUG-019

Severity: High
Type: HTML
Description: Footer is missing Social Media links.
Root Cause: Social media section was not included.
Fix Applied: Added Facebook, Twitter, LinkedIn, and Instagram links.
Line #: index.html - footer

20. Bug ID: BUG-020

Severity: Medium
Type: HTML
Description: Copyright text does not match the required format.
Root Cause: Original text only contains "© 2024 ShopKart".
Fix Applied: Changed it to "© 2024 ShopKart. All rights reserved."
Line #: index.html - footer

21. Bug ID: BUG-021

Severity: Medium
Type: CSS / Layout
Description: Search box does not appear properly on the right side.
Root Cause: Header is not using Flexbox and the search element cannot align correctly.
Fix Applied: Used Flexbox and margin-left: auto for the search section.
Line #: style.css - .search

22. Bug ID: BUG-022

Severity: Medium
Type: Responsiveness
Description: Navigation does not adapt properly to small screens.
Root Cause: No mobile media query was provided.
Fix Applied: Added a mobile media query below 768px and changed navigation to a vertical layout.
Line #: style.css - Mobile Media Query

23. Bug ID: BUG-023

Severity: Medium
Type: Footer / Layout
Description: Footer does not reliably remain at the bottom when page content is short.
Root Cause: Body does not use a flex column layout and main content does not expand.
Fix Applied: Added min-height: 100vh, display: flex, flex-direction: column to body and flex: 1 to main.
Line #: style.css - body and main

24. Bug ID: BUG-024

Severity: Medium
Type: HTML
Description: HTML does not contain a semantic main content container.
Root Cause: Product section is placed directly after the header.
Fix Applied: Wrapped the product section inside a semantic <main> element.
Line #: index.html
